Hello everyone,

Thank you for being involved in this term's meet and greets for our upcoming cohorts. I've updated all the outlook events on your calendars with a schedule for the meetings. I don't think it sent out an update to you letting you know so I wanted you to know it's now there for you to view for your specific meetings. If you have any questions let me know, and thanks again!

If you have not yet accepted the invite to your session(s) please do so asap so I can be sure to invite you via zoom to your session(s).

Best,

Joseph Deragisch
