Thank you

Thank you for your partnership and for the power of collaboration to address achievement gaps while preparing future teacher leaders.

Cultivating a school-university partnership for teacher partnership

Our Guidance:

During the COVID-19 impact, Alliant has been joining efforts with partnerships to appropriately plan for providing alternative approaches for meeting clinical practice, field experience, and performance assessment requirements. We are working daily with our agencies to determine the best plans of action and working to implement those plans as efficiently as possible.

Our Alignment:

In order to provide flexibility for candidates during this time, **Clinical Practice** requirements may be met through:

- Alliant Online Learning Instruction
 - Canvas
 - [Insight ADVANCE](#)
 - Taskstream
- Remote/Virtual Instruction
 - District/School Online Instruction
 - Virtual PLCs, Professional Development, Staff Meetings, etc.,
- Virtual Reality or Simulation Teaching
 - [Insight ADVANCE](#)
 - Webinars

Criteria for meeting requirements when considering clinical practice alternatives:

 *Clinical practice must be under the supervision of an experienced educator: the program supervisor and/or the district-employed supervisor.*

- Online Learning – DSP or School Master Teacher
- University Mentor/Clinical Practice Course Instructor

 *A teacher candidate should be planning instruction, delivering instruction, reflecting on instruction, or analyzing student work with the advice and guidance of the experienced educator.*

- Insight ADVANCE
- Alliant Teacher Education Program: TPE-aligned Webinars
– Clinical Practice Course/University Mentor
