Re: Alliant International University  
Bilingual Authorization - Preconditions Submission

To CTC Submission Review:

My institution has been approached by the Alliant International University School of Education to speak to the Demonstration of Need requirement for their submission to offer the Bilingual Authorization.

***Demonstration of Need.*** *To be granted initial program accreditation by the Committee on Accreditation, the program proposal must include a demonstration of the need for the program in the region in which it will operate. Such a demonstration must include, but need not be limited to, assurance by a sample of school administrators that one or more school districts will, during the foreseeable future, hire or assign additional personnel to serve in the credential category.*

This letter is to attest that my school/schools in this district will, in fact, have a need for bilingual educators in the foreseeable future.

Thank you,
