The District shall hold harmless, defend and indemnify the University and its officers, employees, and agents from and against any and all losses, demands, claims, damages (including costs and attorneys' fees), or causes of action

arising from any negligent act or omission or willful misconduct of the District, its officers, employees, or agents, incurred in the performance of this Memorandum of Understanding, but only in proportion in and to the extent that such liability, loss, expense, attorneys' fees or claims for injury or damages are caused by or result from the negligent or intentional acts or omissions of the District, its officers, employees and agents.

Except for the indemnifying party's obligations pursuant to the immediately preceding two paragraphs or the other party's gross negligence or willful misconduct: (i) neither party shall be liable to the other party for any special, incidental, consequential, indirect or punitive damages (including loss of (anticipated) profits), and/or reasonable attorneys' fees and costs, arising in any way out of this Memorandum of Understanding, however caused and on any theory of liability.

Subject to the first two paragraphs of this section, a party shall have no liability to the other party for any loss suffered which arises out of any action or inaction if, in good faith, it is determined that such course of conduct was in the best interests of the parties involved and such course of conduct did not constitute gross negligence or intentional misconduct.

The parties to this Memorandum of Understanding hereby assert that no liability is assumed by either party for damages or injuries which arise from participants independently traveling to or from service sites.

The parties understand and agree that Interns are not employees, contractors or agents of the parties. Interns are students of the University. It is understood and agreed that the University's students are not to be considered employees of the District and therefore students are not eligible for worker's compensation insurance and the University does not maintain worker's compensation insurance for student coverage.

The parties to this Memorandum of Understanding also agree that each is responsible only for the actions of their respective officers, agents, and employees. Neither party hereto is to be considered the agent of the other party for any purpose whatsoever, and neither party has any authority to enter into any contract or assume any obligation for the other party or to make any warranty or representation on behalf of the other party.

CONFIDENTIALITY

The parties acknowledge that many student educational records are protected by the Family Educational Rights and Privacy Act, 20 U.S.C. § 1232g; 34 C.F.R. Part 99, as amended ("FERPA"), and that the permission of students must be obtained before student data can be released to anyone.

The parties' mutual understanding on the treatment of Confidential Information (as defined below) is as follows:

1. The District and the University shall not, and shall not permit any of their respective employees, agents or contractors, to use, reproduce, distribute, publish, disclose, transmit or otherwise transfer, directly or indirectly, to any other person, organization or entity, any Confidential Information of the other party (or any portion thereof), except (i) to the extent necessary to perform its obligations to the other party in connection with this Memorandum of Understanding; or (ii) with the prior written permission of the other party. Each party agrees to disclose the Confidential Information of the other party solely to those of its employees, agents and contractors having a good faith need to know such information. Each party shall protect the Confidential Information of the other party by exercising at least the same measures that such party uses to protect its own confidential information of like character, which shall be no less than a reasonable standard of care. Each party shall be held responsible for any and all breaches of this paragraph by or through any employee, agent or contractor of such party. Each party shall (x) inform all employees, agents and contractors having access to any or all of the Confidential Information of the other party of the existence of this Memorandum of Understanding and the confidentiality obligations set forth herein; and (y) take sufficient steps to cause such employees, agents and contractors to observe the confidentiality obligations set forth herein. If either party or one of their employees, agents or contractors is compelled (by deposition, interrogatory, request for documents, subpoena, civil investigation demand or similar process) to disclose any of the Confidential Information of the other party, that party shall provide the other

party with prompt prior written notice of such compulsion so that the other party may seek, at its own expense, a protective order or other appropriate remedy or, if appropriate, waive compliance with the terms of this Memorandum of Understanding.

2. As used herein, “Confidential Information” means all confidential information in documents or other tangible materials clearly marked as proprietary or confidential about, or disclosed by, either party to this Memorandum of Understanding, including knowledge, technical and business information relating to such party’s products, research and development, production, costs, engineering processes, artwork, designs, computer software, formulas, methods, ideas, concepts, contemplated new services, improvements, associations with other organizations, profit or margin information, finances, customers, suppliers, marketing, and past, present or future business plans and business arrangements, and information concerning employees (including, in the case of the University and the District, faculty), Interns, and students or prospective students (provided any disclosure relating to any student or prospective student is permitted by and carried out in accordance with FERPA). Notwithstanding the foregoing, no information shall be deemed Confidential Information if such information: (i) is generally known to the public on the date of disclosure of same or becomes generally known to the public after such date through no breach of this Memorandum of Understanding or any other obligation of confidentiality; (ii) was known by the party receiving such information under this Memorandum of Understanding (the “Receiving Party”) without any obligation to hold it in confidence at the time of disclosure; (iii) is received by the Receiving Party after the date of disclosure by the other party (the “Disclosing Party”) hereunder from a third party without imposition, knowledge or breach of any obligation of confidentiality; (iv) is independently developed by the Receiving Party after the date of disclosure by the Receiving Party without access to Confidential Information of the Disclosing Party; or (v) is approved for release by written authorization of the Disclosing Party.
3. The District and the University acknowledge that the University’s use of the internship programs may be subject to the privacy regulations outlined in FERPA, for the handling of such information. The District shall not knowingly disclose Confidential Information to any third party in violation of FERPA. The District represents and warrants that it will comply with FERPA to the extent applicable and will instruct its employees handling Intern student information provided by the University of its obligations under FERPA. The District further agrees that it will prohibit its employees from accessing any records of any student or prospective students at the University, including Interns, without a valid business reason to access such records.

GENERAL TERMS

This Memorandum of Understanding contains all of the terms and conditions between the parties. This Memorandum of Understanding may be revised or modified only by mutual agreement and written amendment signed by both parties.

Each party represents and warrants to the other party that: (i) it has all requisite power and authority to execute this Memorandum of Understanding and to perform its obligations hereunder; (ii) the execution, delivery and performance of this Memorandum of Understanding have been duly authorized and approved by each party, and will not conflict with any agreement of, or law applicable to, such party; (iii) this Memorandum of Understanding is a valid and binding agreement of each party enforceable in accordance with its terms.

In addition to its representations in the immediately preceding paragraph, the District represents and warrants to the University that:

1. it is and will continue to be in compliance all applicable federal, state, and local laws, including without limitation all privacy, data protection, advertising and marketing laws, and contracts;
2. neither it nor any of its affiliates has been debarred or suspended, or engaged in any activity that is cause for debarment or suspension, pursuant to applicable state law; and

3. it shall take any and all actions, or refrain from or cease such actions, as is necessary to maintain the University's reputation, accreditation, state approvals, Title IV eligibility, and academic integrity, including, but not limited to, adherence with the U.S. Department of Education's misrepresentation regulations provided at 34 C.F.R. Part 668 Subpart F.

Neither party may, without written approval of the other, assign this Memorandum of Understanding or transfer its interest or any part thereof under this Memorandum of Understanding to any third party, except that a party may assign its rights or obligations to a third party in connection with the merger, reorganization or acquisition of stock or assets affecting all or substantially all of the properties or assets of the assigning party.

This Memorandum of Understanding constitutes the entire understanding and agreement among the parties hereto with respect to the subject matter hereof, and there are no agreements, understandings, restrictions or warranties among the parties other than those set forth herein provided for.

If any of the sections of this Memorandum of Understanding shall be deemed invalid, void, or for any reason unenforceable, that section shall be deemed severable and shall not affect the validity and enforceability of any remaining section.

Except for ancillary measures in aid of arbitration and for proceedings to obtain provisional or equitable remedies and interim relief, including, without limitation, injunctive relief, any controversy, dispute or claim arising out of or in connection with or relating to this Memorandum of Understanding, or the breach, termination or validity thereof or any transaction contemplated hereby (any such controversy, dispute or claim being referred to as a "Dispute"), shall be finally settled by arbitration administered by Judicial Arbitration & Mediation Services, Inc. ("JAMS"), pursuant to its Comprehensive Arbitration Rules & Procedures (the "JAMS Rules"). The parties understand and agree that, by signing this Agreement, they are expressly waiving, to the fullest extent permitted by law, any and all rights to a trial before a judge or jury or hearing before an adjudicative agency, regarding any disputes and claims which they now have or which they may in the future have that are subject to arbitration under this Agreement. There shall be one neutral arbitrator that shall be mutually agreed to by the parties or, if the parties do not agree, then one shall be appointed pursuant to JAMS's procedures, in each case, within 30 business days of receipt of the demand for arbitration by the respondent(s) in any such proceeding. An arbitration pursuant to this paragraph shall take place in San Diego, California. A final award shall be rendered as soon as reasonably possible. The Arbitrator shall permit both parties to engage in reasonable pre-hearing discovery to obtain information to prosecute or defend the asserted claims. The arbitration decision or award shall be in writing. The arbitrator shall have the authority to award any relief authorized by law in connection with the asserted claims or disputes. Judgment on the decision or award rendered by the arbitrator may be entered and specifically enforced in any court having jurisdiction thereof. All arbitrations commenced pursuant to this Memorandum of Understanding, or any other related agreement or document, shall be consolidated and heard by the initially appointed arbitrator. The arbitration award or ruling shall provide for payment by the losing party of the fees and costs of the arbitration, including without limitation, the reasonable attorneys' fees and attorneys' costs incurred by the prevailing parties.

This Memorandum of Understanding, and any controversy arising out of or relating to this Memorandum of Understanding, shall be governed by and construed in accordance with the internal laws of the State of California, without regard to conflict of law principles that would result in the application of any law other than the law of the State of California.

This Memorandum of Understanding may be executed and delivered by facsimile signature and in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument and each of which may be executed by less than all parties, each of which shall be enforceable against the parties actually executing such counterparts, and all of which together shall constitute one instrument.

The titles and subtitles used in this Memorandum of Understanding are used for convenience only and are not to be considered in construing or interpreting this Memorandum of Understanding.

All notices and other communications given or made pursuant to this Memorandum of Understanding shall be in writing and shall be deemed effectively given: (a) upon personal delivery to the party to be notified, (b) when sent

All communications shall be sent to the respective parties at their address as set forth on the signature page hereto, or to such facsimile number or address as subsequently modified by written notice given in accordance with this paragraph.

The Sections titled “Non-Discrimination, Harassment, and Retaliation Clause,” “Mutual Hold Harmless and Indemnification; Limitation of Liability; Student Status,” “Confidentiality,” and “General Terms” shall survive the termination of this Memorandum of Understanding.
